District Policy

DISCLOSURE OF PUBLIC RECORDS

Pursuant to Colorado Revised Statutes, S24-72-202, et seq., 1973 as amended, it is declared to be the public policy of this District that all public records shall be open for inspection by any person at reasonable times, except as specifically provided herein. It is the policy of the North Pecos Water and Sanitation District that the public has reasonable access to information concerning the activities of the District and shall allow the public access to the District's records to the extent allowed by Colorado law. However, the exclusions specified in 24-72-204, Colorado Revised Statutes, 1973 as amended, shall apply to the District to restrict access to certain sensitive records of the District.

The Board of Directors of the North Pecos Water and Sanitation District may make such rules and regulations with reference to the inspection of such records of the District as are reasonably necessary for the protection of such records and the prevention of unnecessary interference with the regular discharge of the duties of the custodian of the records or the business office of the District.

The records of the North Pecos Water and Sanitation District shall be available for inspection in the office of the District between the hours of 8:00 a.m. to 12:00 noon and between 1:00 p.m. and 5:00 p.m. Requests for information or access to a District file shall be granted as soon as reasonably possible and the District reserves the right to delay access to a file for the time required to retrieve the file (up to three working days), and as allowed by 24-72-203, Colorado Revised Statutes, 1973 as amended.

If the public records requested are not in the custody or control of the District manager, the manager shall forthwith notify the applicant of this fact, in writing if requested by the applicant. In such notification the manager shall state in detail to the best of the manager's knowledge and belief the reason for the absence of the records from the District's custody or control, their location, and which person has custody or control of the requested records.

The District manager may make copies of the District's file or parts thereof on the District reproduction equipment at a charge of \$1.25 per page, or at a charge to be determined by the Board of Directors, and in compliance with 24-72-205, Colorado Revised Statutes, 1973 as amended from time to time.

No files of the North Pecos Water and Sanitation District will be loaned to any member of the public for removal from the office of the District.

Inquiries from the news media concerning District related incidents occurring within or without of the boundaries of the District shall be responded to only by the Chairman of the Board of Directors and the President of the District. All employees and other individual members of the Board of Directors of the District shall not release controversial or potentially controversial information to the news media, but instead will refer such matters of inquiry to the entire Board of Directors, for an official response by the President and Chairman of the Board of Directors of the North Pecos Water and Sanitation District.
